

Saturday November 1st Hueston Sailing Association held their end of year awards banquet!

HSA's annual banquet was held at Barn n Bunk in Trenton Ohio. Master of ceremonies was our own Stephen Cook and Mike Stratton! They Tirst regaled the crowd with Irish pub songs, the wording to the songs changed to retlect the Tunny stories of the adventures of our sailors, and their antics during the sailing season! They asked all ot us sailors to join in the chorus, which ot course we all did, led by our tearless leaders Stephen and Mike! Then it was time to play HSA Sailing's version of Teopardy. Teopardy contestants needed to know racing rules, HSA tamily names, types of boats, knotty puns, and boat lite to gain points tor their teams and win prizes! They even had blue lights with buttons to press when we knew an answer, or maybe didn't know the answer! We even had our own "Vanna" played by Dawn Gunter! The winning team won beautitul towels with sail boats embordered on the edge! Dinner was delicious! Desert even better! Then

came time to hand out awards!

**Sunfish Series** 

Our annual banquet also included some extra presentations for some club members who went above and beyond this year! Our club is honored to show appreciation to the following members. Although we would like to point out that without the talents of all the members of our extraordinary club our sailing family would not be the sailing pride of Hueston Woods!

A special fall ceremony was held in Oakwood to formally recognize Brett Hart for his unwavering dedication to our sailing education programs!

A Thank you gift for Darrilynn Brewster for all her years of dedicated service to our club!

A special award for Leigh Ann Fulford for her strength under fire while sailing.

Also, a Thank you from the rest of us for her patience while the administration of HSA takes her husband, Joe's time!

## Commodore's Corner

The sailing year, is sadly ending They say April will be here quickly

Member's hearts, are slowly mending But how to keep from getting prickly

> Time will fly Like it always does

Sailing, oh my And getting that buzz

Down time, to look around
Will serve us well and keep us sound

#### HSA Behind the scenes

As with any organization, it is the behind the scenes work that keeps everything running smoothly for everyone! Here are Dave Judy and Roger Henthorn, (not pictured, but also assisting is Bobbie Bode) dismantling the Committee boat to ready it for the trip out the Guntle's barn for her winter snooze. The busy bees are also preparing the Rescue boat for the same trip to the barn where they can receive maintenance thru the winter, so they are ready for next spring's launch into action at Acton Lake!

Pictured here are the "burrito-ized" Sunfish.

The team producing this work was:

Roger Hernthorn

Bobbie Bode

Charlie DeArmon

Amy Marks

this team was managed by:
Franklin!
Thank you to you all!

#### SAILING CLASSES

#### Zoom - Dave Dellenbaugh

Attention Sailors New and Old!

Ever wonder if you have been fouled during a race?

Ever wonder if you should be the one yelling, "I have rights! Make room at the mark!"!"

If you know the Racing Rules you are much more likely to be among the group first off the starting line!

So...Join us in the Dave Dellenbaugh Zoom clinic! it is a great value at \$30.00 per group of 4 classes! We start in about 2 weeks! You don't have to tune in on the date it is aired since you can replay it anytime after it first zooms across the internet. It will make good off season learning for anyone who isn't quite sure how some or any of the rules apply.

Your contact for these classes is Mike Stratton.

Lunch and Learn Classes at the Lodge with Mike Stratton will also resume this winter we will be bringing you more information about Mike's classes soon!
