Sailing Experience

- **Description:** Depart from Marina Shelter. Enjoy the serenity of Acton Lake - no experience necessary.
 - **Participants are required to wear the provided life jacket at all times**
- **Age:** minimum 6 years of age; HSA reserves the right to determine eligibility for sailing on a boat.
- **Cost:** free admission for all participants
- **What to Bring:** comfortable clothing, sunscreen, water/gatorade, tennis shoes, and a sense of adventure!
- **Parking:** at the Marina Lots
- **Boat availability:** The number of people a boat can accommodate depends on its size.
- **Weather:** Conditions will determine if going out on the water is safe.

Nature Center - Hueston Woods State Park

The Hueston Woods Nature Center is home to various native Ohio wildlife, including reptiles, birds of prey, and mammals. All animals at the center have permanent injuries preventing them from returning to the wild.

The Nature Center is open daily from 10 am to 4:30 pm. Free naturalist programs occur throughout the week

Sailing Experience - Hueston Sailing Association

Founded in 1956 by a small group of sailing enthusiasts who shared a love for wind, water, fresh air, and sunshine, the HSA promotes this common passion through its sailing, education, social, and racing programs. The HSA club is primarily focused on safety; second, it is about enjoying safe fun on the water!
